

**Bharatiya Janata Party**

# Shri Tesam Pongte

**BJP Candidate for MLA,  
53rd Changlang North(ST) Assembly Constituency**

**Tenure: 2024-2029**

-  Bungalow No.16, Niti Vihar
-  +91-9436057050
-  tesampongte75@gmail.com

# Key Focus areas

## Education Sector

- Strive to enhance the quality of education within my constituency.
- Persist in advancing infrastructure development at Government Higher Secondary School, Changlang, with the aim of transforming it into an exemplary educational institution.
- Expedite the construction of the outstanding Teacher Quarters with a mission-oriented approach.

## Health Sector

- Upgrade the infrastructure of Health Sub-Centers, Primary Health Centers (PHC), Community Health Centers (CHC), and the District Hospital.
- Establish residential quarters for staff at HSC, PHC, and the District Hospital.
- Develop a medicine warehouse (Store) for Changlang District.
- Build a connecting road from Kuchep to Longtoi village.
- Construct a connecting road from Kengkhu to Rangfra Government College, Changlang.

## Road Sector

- Implementation of bituminous carpeting on the current CC roads within Changlang Township, with a particular focus on the primary ring road.
- Expansion and bituminous carpeting of the Changlang-Kuchep Road.
- Bituminous carpeting projects planned for the Wotlom-Changra and Kongsan-Nakang Roads.
- Ongoing construction of CC Pavement roads connecting all intra-villages within the 53rd Changlang North (ST) A/C.
- Continuation of CC Footpath step construction initiatives.

## Creation of Office Establishment & Infrastructure Sector

- Establishment of a new CD Block within Namtok Circle.
- Formation of an independent Panchayat Block for Namtok Circle.
- Development of new residential quarters and office facilities for various Heads of Departments, including the Electrical Engineer of Power, Hydro Power, Water Resources Department, Post Office, and Chief Officer.

## **Women Empowerment Sector**

- The proposed initiatives include a substantial upgrade of water pipelines and the construction of a Zonal Water Storage Tank in Changlang Township to enhance the effective distribution of clean water.
- Plans involve enhancing the water supply infrastructure to combat the persistent challenge of limited access to potable water in Yatdam CO HQ and Namtok EAC HQ.
- Ensuring the availability of clean drinking water to every household in rural and urban areas, as well as public facilities like GP buildings, schools, Anganwadi centers, health centers, and wellness centers, stands as a primary objective.

## **Power Sector**

- Establish infrastructure to provide electricity to the communities of Hachengkan, Yopakan, and New Kangkho.
- Upgrade and modernize the power distribution system in stages across Changlang Township to improve voltage control.
- Prioritize the urgent renovation and replacement of power distribution networks in rural regions.
- Propose the construction of the Tirap SHE (10 MW) Project near Thamyang, situated along the Tirap River.
- Target the completion of the 132/33KV (3x5MVA) Grid Substation in Yatdam and the 33/11KV (2x5MVA) Substation in Laktong to ensure continuous power supply.

## **Youth Empowerment Sector:**

- Promote and facilitate self-employment opportunities to empower youth towards self-sustainability.
- Improve tourism promotion and develop associated infrastructure within the region.
- Tackle the critical issue of drug abuse decisively, focusing on preventive and control strategies without compromise.
- Establish Futsal Grounds in Changlang, Namtok, and Yatdam Circles.
- Provide ongoing logistical and financial aid to students succeeding in the preliminary stages of UPSC & APPSC examinations.
- Offer logistical support to the youth of the 53rd Changlang North (ST) Assembly Constituency for coaching for APPSC & APSSB exams, covering coaching expenses.
- Continue to authorize the construction of playgrounds for Volleyball/Football to encourage sports engagement.

## **Farmer Sector:**

- Support farmers by providing modern agricultural and horticultural machinery to foster their advancement.
- Continue backing progressive farmers by furnishing seeds, seedlings, and saplings.
- Ensure the continuity of MIC schemes to benefit farmers.
- Extend support through land development programs for farmers.
- Facilitate schemes like Fish Pond, Goatery, Piggery, Poultry, and Dairy for interested farmers.

## **Social Sector**

- Promote and uphold peace and communal harmony within the 53rd Changlang North A/C and across the state.
- Encourage and sustain cleanliness initiatives in both rural and urban areas.
- Emphasize environmental conservation and the preservation of ecological balance.
- Prioritize the protection, conservation, and celebration of the indigenous culture of the residents in the 53rd Changlang North A/C.
- Ensure the equitable distribution of GI Sheets to disadvantaged individuals in the 53rd Changlang North (ST) Assembly Constituency.
- Implement the construction of protective walls for WRC paddy fields through a systematic, phased strategy.
- Establish an inviting gate for Changlang HQ.
- Introduce bus services along the following routes:
  - Changlang to Kuchep Route
  - Changlang to Changra Route
  - Changlang to Namtok Route
- Construct a G+1 RCC building for labor barracks in Changlang Township, pending land availability.
- Set up a Conventional Hall equipped with a comprehensive sound system in Changlang Township.
- Enhance the Urban Forest & Recreation Park located beneath the Circuit House in Changlang Township.
- Continue authorizing the establishment of cremation grounds and waiting sheds in remaining villages.
- Supervise the progress of parking lot projects in Changlang Town to ensure timely completion.

## **Online Public Grievance Forum**

- The establishment of a website for the Public Grievance Forum to enable the public to lodge grievances online conveniently.
- Creation of a direct communication platform connecting the community with the MLA's office.
- Offering residents of the 53rd Changlang Constituency a platform to voice concerns and seek solutions.
- Streamlining communication to bypass bureaucratic obstacles, fostering transparent and accountable dialogue.
- Empowering citizens by ensuring their concerns are addressed promptly, nurturing trust, engagement, and civic participation.
- Enhancing understanding of community needs and priorities within the MLA's office.
- Enabling proactive issue resolution, improved service delivery, and informed policy-making.
- Providing updates on the latest developments and initiatives through the News section.
- Accessing vital resources on the Downloads page, such as the manifesto and brochures.
- Acting as a gateway for residents to actively participate in local governance and influence the constituency's future.
